```
// Assignment-2
enum Color {
    RED, GREEN, BLUE
}

public class Rectangle {
    double width;
    double height;
    Color boxColor;

    public static void main(String[] args) {
        System.out.println(Color.BLUE);
    }
}

// Compile: javac Rectangle.java
// Run:     java Rectangle
// Output:  BLUE
```
